RE: Cyrus Greene Pool Improvements
City of Tampa 6-C-12

Dear Mr. Harte,

The City of Tampa is pleased to announce that you have completed the pool renovation, deck work and pumphouse rehab in a timely manner. You were able to get the project done under budget and the pool was opened to the public before the school year was over. We were very please with the way this project turned out and look forward to you doing more projects with the City of Tampa.

Sincerely,

Kelly A Carpenter
Engineering Technician IV
