Re: Safety Harbor Waterfront Park – Phase I

Dear Dan:

I happened to be in the area last Sunday and photographed the park. These three turned out pretty well so I thought you might enjoy them for your file. I'm entering them in a company wide photo contest and then they will be framed and go on my office wall.

Thanks so much for the opportunity to work with your company. Your staff has always been very courteous to me.

We certainly hope to continue providing the construction materials testing for any future projects. Please keep us in mind!

Sincerely,

WILLIAMS EARTH SCIENCES, INC.
